

11-9-15

Dear DRG,

Please tell James thanks for coming out to our place (3 times) to get things right with our furnace.

Not only is he personable, down to earth and respectable, his service is professional, honest and proficient.

If all your employees are like him - Kudos to you. You have something going for you then.

Again, Thanks and give James a high five!

Sincerely,

Jim Lorenzen farm
Jasper, MN.
